Your 2024-2025 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The Office of Financial Aid will compare the requested information against the information reported on the FAFSA before we make any Financial Aid awards. If there are differences in between the FAFSA and the information provided, the FAFSA may need to be corrected.

Please submit all requested documents within 30 days.

You indicated on your FAFSA that you will not be providing parent information and want to be considered for only the Federal Direct Unsubsidized Loan. Without including parent information, you can only receive a Federal Direct Unsubsidized Loan if:

- Your parents no longer provide any support for you; or
- Your parents refuse to file the FAFSA.

Without parental information on the FAFSA, you **WILL NOT** be eligible for:

- Federal need-based aid (Pell Grant, Federal Direct Subsidized Loan, or Federal Work Study)
- State need-based aid
- Institutional need-based aid

If you misunderstood the question and answered it incorrectly, you must change the answer to that question and provide your parent(s) information on the FAFSA at www.fafsa.gov.

If your parent(s) will not complete the FAFSA, please continue with this form.

I confirm the following:

- I have read and understand the information above.
- I have filed a FAFSA.
- I support myself and receive no financial support from my parents.

I understand that by not providing parent information on my FAFSA, my financial aid award may be less than it would be otherwise. I also understand the Federal Direct Unsubsidized Loans accrue interest from the time the loan is disbursed until it is paid in full. While attending school at least half-time, I can choose to pay the interest or allow the interest to be added to the principal amount of the loan.
