

**General Assembly: Announcement**  
*Fellows Program*

---

**ANNOUNCEMENT OF FELLOWS PROGRAM:**

Over the course of our first year in Senate, the group has seen vast growth and improvement. In recent months, it has become necessary to grow the Student Senate through an additional means. The Fellows Program is being created to both improve the reach of Student Senate on campus by connecting with other campus populations, while also creating a more sustainable group moving forward.

The Fellows Program will function as follows:

- The Fellows will be appointed by the President and approved by the Senate, just as Secretaries are.
  - Fellows cannot enter conversation unless they are called upon to give an opinion by the chair. The chair will call upon the Fellows at any point he or she thinks their opinion is needed.
  - Fellows are required to be members of at least one Student Senate Committee.
  - Fellows are further required to regularly attend General Assembly and miss no more than five (5) meetings each semester.
  - There will be no further requirements for these members.
