

OFFICIAL STATEMENT

To: Madonna University Resident Students:

Official Letter on the Food Drive Boxes

We are proud to support the students staying on campus during the winter break. In partnership with Madonna University, Student Senate is offering five boxes of food to help those who would find security in these boxes and who need food over the break.

We, the student governing body of Madonna University, have collected dry and canned goods. All of which are non-perishables, including canned soup, tea, cookie mixes, pasta, chips, and so much more. The Student Senate wants to offer these boxes to individuals who may be food insecure during the holiday break. In addition, community drives like Madonna's help make sure students can get food assistance when they need it.

Please get in touch with studentlife@madonna.edu if you would like to claim one of these food boxes for your own use. The boxes are distributed on a first-come, first-serve basis.

We wish you a safe, healthy, and happy holiday! We hope your break is relaxing and rejuvenating.

Respectfully,

Ashley Chichila
Secretary of Communications
